Summer Special

Welcome to the Year 4 Special of The Super Star!

We cannot believe that another year is coming to an end. As they say, time flies when you're having fun! And what fun we have all had during this academic year...

Here is a recap of just a few of the highlights:

There have been so many school trips, including the Year 4 residential to Hooke Court; Year 3 trip to Lyme Regis; Year 2 trip to Shire Hall; Year 1 trip to Lulworth Castle; and Reception children and Preschool visited Kingston Maurward;

We have held numerous fundraising events including, Miles for Mosaic fundraising; Crazy Hair Day; Odd Socks Day; #HelloYellow Day, and many more!

We have experienced so many fun, hands on Science lessons, including Reception classes designing and flying kites; a snake visited Year 1(!); and Year 4 recreated the digestive system!

We have had fun creating art in the style of many different artists: Andy Goldsworthy, Alicia Breakspear, Alma Thomas, Frida Kahlo, Van Gogh, just to name a few!

Oh, and we can't forget to mention, Mrs Sterck's surprise 50th Birthday celebrations!

It's that time of year where we say goodbye to our Year 4s, which is always emotional! However, it fills us with immense pride to see how they have grown during their time at Manor Park. Inside this issue, you will be able to read some of their fond memories of Manor Park.

We wish everyone a happy Summer Holiday.

News! News! News!

Our Eco Club and School council are now very easy to find on the playground thanks to their new bibs. We also have lunchtime monitors who are helping in the hall. We spoke to a few of the children about what it means to them to be part of this new look.

I think I am a good eco warrior because I like to help the environment. I don't like litter being dropped at school and if I see anyone leaving rubbish I will remind them to put it in the bin or their lunchbox. I really don't like animals getting hurt and I will make sure that no insects are stepped on.

Isobel, Year 2

I really like helping people, and that is why I wanted to be part of school council. If someone is having a difficult playtime I can help them to feel better. I think I am kind and caring and enjoy making sure people are ok.

Joshua, Year 2

We are both proud to be Lunchtime Monitors because we like helping people. We help the younger children if they need anything. We fill up the water jugs and also hand out the puddings! We both think we are calm and kind and can be quick to help if we're needed.

Daniel and Kassy, Year 4

I think I am a good eco warrior because I like nature and I want to look after our school. I will tell people to not drop litter, not to hurt insects, not harm trees and not pick the flowers. I will remind everyone to turn off lights when they are not needed and also make sure people are not leaving taps on because it wastes water. My top tip for home is turn the tap off when you are brushing your teeth!

Oscar, Year 2

I really like helping people and I am kind, patient and calm so I can help if someone is upset. I really like being part of making decisions about how we can make the school a better place for everyone. I am really proud to wear my new School Council bib.

Georgia, Year 2

Daniel and Kassy take a break after a busy lunchtime!

British Values

the rule of law * tolerance * democracy * mutual respect
individual liberty

We have been exploring British Values and thinking about how we can demonstrate these, both in and out of school. It is important for us to understand these values as they help us to live alongside each other with respect and compassion.

Rule of Law

rules and laws are important and apply equally to everyone.

At school we can show our commitment to this by understanding the same rules are for everyone to follow.

Tolerance

is accepting and respecting differences in others, even when we don't agree or understand them.

At school we can show tolerance by respecting our peers' religions and beliefs.

Democracy

is the importance of everyone having a say in decisions that are made.

At school we experience democracy by being given the opportunity to vote for important things like the school council.

Mutual Respect

Is treating others with dignity and acknowledging their value, even when we have different opinions or beliefs

At school we can show respect by following instructions, remembering to use manners and treating other people how you would like to be treated.

Individual Liberty

Is the freedom to make personal choices and act within the limits of the law allowing individuals to make choices and pursue their goals without harming others

At school we acknowledge that everyone is an individual with their own thoughts and beliefs.

Child Chaplaincy

At Manor Park First School

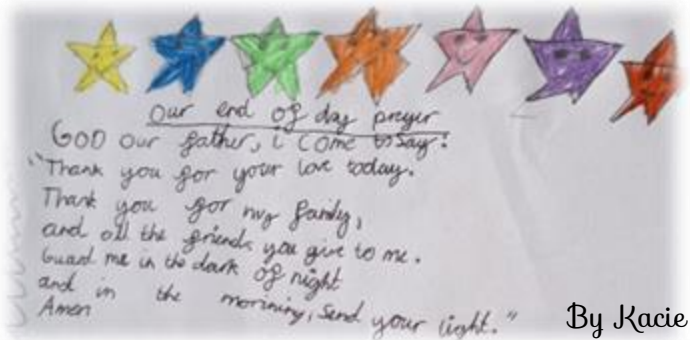

What advice would you give to younger children at Manor Park?

You can show love for each other and love for learning by opening a door for someone. Don't push any one over. You could focus on your work. You could use kind hands. Don't speak over anyone. Don't say mean words. Be kind to your teachers and think of God.

By Emilia

**“Love for God,
Love for Each Other,
Love for Learning”**

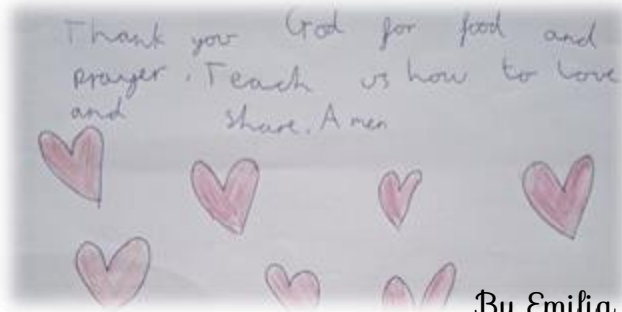

By Kacie

What will you take with you to your new school?

I will take kindness to my new school and the school vision, which is Love For Each Other, Love For Learning and Love For God. I will also take some of my friendships with me because I have made some great friends at Manor Park.

What Parents & Educators Need to Know about MINECRAFT

WHAT ARE THE RISKS?

Still the best-selling game of all time, Minecraft is a bastion of creativity and community, with hundreds of millions of players building and crafting in its almost endless world. The popularity of Minecraft among gamers of all ages means it's important to remain informed about the game, including how to play it safely and whether it's suitable for the children in your care. That's why we've created this guide explaining the risks associated with Minecraft and how to ensure a purely enjoyable gaming experience.

SCARY ELEMENTS

While Minecraft can be seen as a kind of 'digital LEGO', certain game modes include creatures accompanied by eerie sound effects. These can be a bit too frightening for some younger players, potentially leading to distressing in-game combat and other encounters – although the combat is quite basic and free from any real depiction of violence.

GRIEFING

Some players in Minecraft take pleasure in deliberately damaging or destroying another person's creations. This behaviour, known as 'griefing', is a form of bullying – it intentionally ruins someone else's experience by erasing hours of their work and forcing them to start over. Many public servers regard griefing as a serious offence and often ban those who engage in it.

ADDICTIVENESS

Minecraft's focus on creativity means that, as with any creative endeavour, it can be easy to get carried away. If your child is finding it difficult to manage their time because they're drawn in by Minecraft's gameplay loop of resource gathering and building elaborate projects, it could have a knock-on effect on their social interactions and schoolwork.

PUBLIC SERVERS AND COMMUNICATIONS

With public servers being so easily accessible in Minecraft, it's highly likely that children will end up chatting with strangers through the in-game text chat. Some servers even place an emphasis on social interaction, actively encouraging communication between players. While there's nothing inherently wrong with this, it does carry certain risks. In addition to the concerns around speaking with strangers online, players who host their own servers may have their IP addresses exposed, posing a further security concern.

ADDITIONAL PURCHASES

Minecraft is available as a free trial on a variety of devices; however, the full game requires a one-off purchase. After that, players have the option to buy additional cosmetic upgrades or subscribe to Minecraft Realms. Realms is an entirely optional subscription service that allows users to run their own private server to play with friends. Without proper supervision, younger players may end up making unintended or excessive purchases.

Advice for Parents & Educators

CHOOSE THE RIGHT MODE

Selecting Creative or Peaceful mode allows children to play Minecraft without having to contend with enemies. It's also a great way for you to get used to playing the game with them, since the difficulty level is far lower. This allows you to work together on a long-term project, creating something special without the threat of enemies and creatures attacking you or damaging your building.

HOST A PRIVATE SERVER

The easiest way to find a safe server for children to play on is to make one yourself. Hosting a server prevents strangers from finding it, unless they've been given its address and password. A private server also lets you control who's allowed to enter and – if necessary – ban anyone who shouldn't be there. This is the closest equivalent to parental controls in Minecraft. Hosting a private server, however, will cost a monthly fee.

TALK ABOUT STRANGERS

At some point in their lives, almost everyone will make contact with a stranger online. Talking to children about online safety, therefore, is essential – as is having a plan for dealing with any hostile or difficult people. It's important that a child knows never to tell a stranger about themselves online and that they should come to you straight away if they do encounter a problem.

RESEARCH CONTENT CREATORS

Much of Minecraft's early stages can be an exercise in frustration for players who don't know where to start. Thankfully, there's a wealth of material online and in video format to help you learn the basics. Just be mindful that some of this content may not be appropriate for children, so you should consider watching it yourself first.

PLAY MINECRAFT WITH YOUR CHILD

As a creative building tool, Minecraft makes it great fun for children to team up and construct vast buildings accompanied by imaginative landscapes, much like working with LEGO or model kits. Playing in a game mode that includes enemies can encourage critical thinking and teamwork; however, you should consider which game mode is appropriate for the child in your care.

Our memories

I am going to miss all the teachers and children.

I had fun teachers.

I'll miss Mr Kain and all the staff, and my friends who are not going with me.

My favourite memory is meeting my friends.

My proud moment was when I joined the school and made new friends

I will miss my two friends who are going to a different school.

I love forest school because we are outside and doing loads of fun things like building dens, cooking mackerel on a fire, and exploring how to identify different leaves.

At Hooke Court, I enjoyed making rockets!

I'll miss all the staff.

My favourite subject is DT because in Year 2, we did 'Moving Mini Beasts'. I

My favourite memory is Hooke Court because I got to spend time with my friends and teachers. I also got to do loads of fun activities with my group.

Our memories

My favourite subject is Art because we make lots of amazing creations and learn about famous artists.

My favourite subject is PE because it is active and I learnt how to play netball. I loved gymnastics and cricket.

I really enjoyed Forest School,, especially spending time in the mud kitchen!

My favourite memory was when my friend fell down in the snow!

My favourite sports dayrace was the ball and racket race!

My favourite memory from Hooke Court was when we were playing 'catch the teddy' on our bunk beds!

Our favourite subjects are Art and DT because we got to paint ourselves in the style of Frida Kalo and we did some sewing in DT

My proudest moment was when I received a certificate in celebration assembly for showing our school values

Hooke Court was so much fun - staying up late, catching our friend snoring(!), eating sweets, the night walk...and so much more!

My favourite trip was going to Lyme Regis in Year 3 . We went to the Fossil Museum and learned more about Mary Anning.

I enjoyed sleeping in bunk beds at Hooke Court.

Our memories

I loved the disco at Hooke Court, hosted by Mr Kair!

The best club I have attended is netball club because we get to be in teams with our friends!

My favourite memory from Hooke Court is making friends with children from other schools. I also enjoyed the den building.

My happiest moment was when I found out that Kimmeridge House won the most house points and we got to come to school in non-uniform

I loved making a zip line at Hooke Court!

The best club I have attended is Lego club because you can create everything and anything!

The best club is Newspaper Club!

My proudest moment was when I did a violin concert for the first time!

My favourite thing at Hooke Court was the meals.

Our memories

My favourite subject is Art because people say I am really good at it. I think this really brings out my creativity and raises my self-confidence.

My favourite moment is Hooke Court and also swimming because it taught me valuable things.

I love lunchtimes at Manor Park!

I love maths because of the times tables

My favourite club at Manor Park was netball club.

My favourite subjects are Art and PE but Mr Kain makes every lesson joyful by playing music and his strange sense of humour! He's just the best teacher!

I like doing lunch monitoring

I loved it when the ice cream van came to school!

My proudest moment at Manor Park was going to Hooke I enjoyed spending time with my friends.

My favourite Sports Day was when I was in Year 3 because I came 1st twice! I enjoyed racing my friends!

I will be looking forward to seeing people at the pantry at school, also seeing my grandson and enjoying a music festival or two.

Mrs Hill

I am going camping in Cornwall... so I really hope it doesn't rain! It's also my birthday!

Mrs Holmes

I am hoping for some sunshine so that I can relax in my garden with a good book!

Miss Heightley

I will be in a villa in Greece with my family, hoping we don't get a visit from the snake that came to say hello last time!

Mrs Burden

I will be painting the corridors in the school!

Mrs Paul

I will be spending time with friends and family over the summer holiday. I am also looking forward to visiting Istanbul to see the Blue Mosque!

Mr Martin

I'll be on a beach in Spain with my family!

Mr White

We asked some of the staff at Manor Park what they will be doing in the summer holidays. Here's what they have told us...

I'm going running in the mountains!

Mrs Clark

I am swimming the length of Lake Coniston because I can't run it!

Mrs Sanderson

I will be relaxing in a villa in Spain with a couple of good books.

Miss Stone

I'm taking my little girl, Posie, to meet Mickey Mouse in Disney World!

Miss Lees

I will be spending 6 weeks in my hot tub!

Mr Kain

I might treat myself to a week off working! Maybe...
Mrs Sterck

I will be attending a wedding in Bude. I am looking forward to spending the week with family, celebrating.
Mrs Sugden

I am looking forward to sunny days with my family and being out on the paddle board.
Mrs Partridge

I will be having lots of exciting fun days out with my grandchildren.
Mrs Adcock

I will be enjoying a family holiday in Spain.
Mrs Fulbrook

I will be showing my American friends around London and hoping for some sunshine!
Miss St Pier

I will be spending my Summer with my family at vintage Steam and Vehicle Rallies, hoping for the sunshine.
Mrs Watts

I will be getting married and will become Mrs Caulfield!
Miss White

I am looking forward to spending days out with my family. I am also hoping to build an enclosure in my garden for my new baby tortoise. He is called Rufus and is very cute!
Miss Murrell

I will be visiting the south of France for the first time! I can't wait for all the adventures and putting my French to the test, which I learnt in Sycamore Class this year!
Mrs Richardson

The Pantry

A huge thank you to all that have been able to pick up both free food items and general food and cleaning items from The Pantry, the small cost has enabled us to replenish the stock regularly. The Pantry is currently open at the end of the school day on Wednesdays and Thursdays. However, The Pantry is open 52 weeks a year, and we are pleased to announce that we will be open on a Wednesday and Thursday during the school holidays from 10am - 11am.

The Pantry offers an opportunity to pick up a few items of food to support your weekly shopping. If families find funding food difficult and the few items the Pantry as to offer is not enough, families can be directed to other food support agencies and can either speak to Tina Hill (Family Support) or text message 07843106013. We are here for everyone, our Manor Park Community, supporting each other.

Fundraising news from Buds at Manor Park

Follow Buds of Manor Park on Facebook and Instagram for details of all our events and fundraising.

We're coming to the end of our first academic year as Manor Park's Fundraising Team and have had lots of fun planning and putting on events to raise money for our wonderful school. Events such as our Rainbow Tombola, discos, chocolate bingo and our quiz have enabled us to provide an Easter treat for every child in the school and we are also helping everyone cool down during Sports' Week with an ice pop after their races. We were very happy to be able to provide the school library with an amazing **68** new books, and we hope the children enjoy discovering incredible new adventures while reading them. We would not be able to do these things without the support of our school community so a huge thank you to you all.

Next in the Buds calendar are the End of Year discos, on Friday 4th July, and we also have a very special celebration in store for the Year 4 leavers during their final week at Manor Park.

We have lots more exciting things planned for next year and a big project to benefit the whole school that we are working towards, so keep a look out on social media for further details of how you can continue to support Manor Park.

Finally, I would like to take this opportunity to thank the members of the Buds Team for giving up their time to help raise money for our school. Without you, this would be impossible!

Nicki St Pier
Chair of Buds

Thanks to your support, Buds have been able to purchase 11 box sets of books for the school library, a total of 68 books altogether! The librarians were very excited to open the packages and proudly stamp them with 'Manor Park First School'. Buds are so happy to be able to provide this gift and appreciate all your help in being able to do so.

Fab Fridays have been an amazing success, and we will continue this in September whilst the weather holds. Thank you for your support!

Summer Safety

There are some things we can do to stay safe and still enjoy the sunshine this summer.

- Wear sunscreen at all times when you are in the sun. Even when it's cloudy the sun can still cause harm to your skin
- Wear sunglasses to protect your eyes and a hat to protect your head and face from the sun
- Stay hydrated by drinking plenty of water
- Go to a beach where there are lifeguards and if you go into the sea make sure you stay between the red and yellow flags
- Spend time in the shade
- Cover up with loose clothing that will help you stay cool

Final words
of the year...

Mrs Sterck

Another exciting year at Manor Park First school is coming to an end. I am incredibly proud to be the Head of such an amazing community. This year you have all grown and shown your Love for God, Love for each other and Love for learning in so many ways. The progress that each one of you has made is fantastic. I would like to wish all our year 4 children a fantastic start to their new school adventures and I am looking forward to seeing the rest of you in September.

Mr Martin

I can't believe that we are approaching the end of another fantastic year at our school! This academic year has been filled with many achievements that we can all be proud of. It has been a privilege to see the remarkable progress our children have made, growing in resilience and determination. I'd like to wish you all a restful and enjoyable summer break. We look forward to welcoming everyone back in September for another exciting year at Manor Park First School!

Mrs Collier

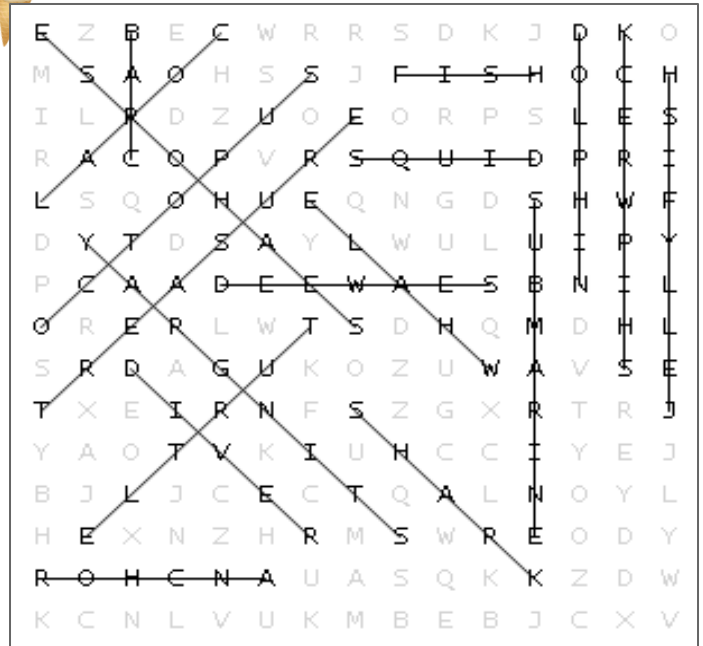

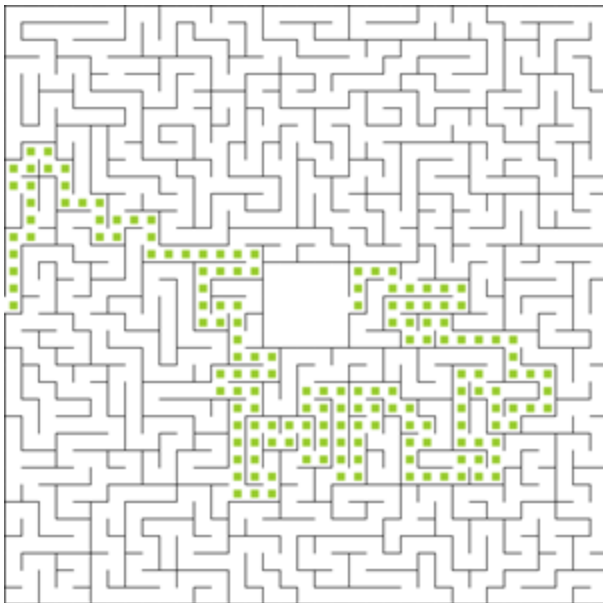

As we come to the close of another wonderful year at Manor Park, we want to celebrate all that you have achieved. You've shown kindness, respect, and resilience, embracing every challenge with a positive spirit. Whether it was learning new skills in the classroom, exploring the outdoors during Forest School or engaging in creative play, you've shown a love for learning that shines brightly. Enjoy a well-deserved summer break (with plenty of reading!) and we look forward to welcoming you back in September for more adventures in learning together.
