Hooke Court Residential Study Centre is based in Hooke, West Dorset. Hooke Court provides fantastic learning environments and offers inspirational activities designed to enhance curriculum learning.

The background of the slide is a photograph of a park. In the foreground, there are two wooden picnic tables on a paved area. The middle ground is a large, green grassy field. In the background, there is a line of trees, some of which are bare, suggesting a cooler season. The sky is a pale, overcast blue. The text is overlaid on the upper half of the image.

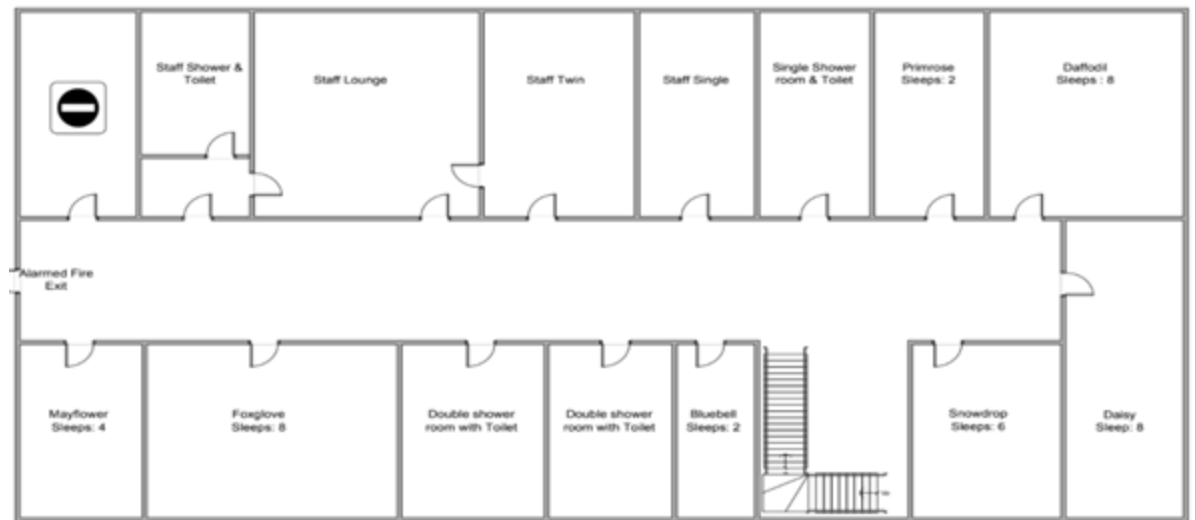

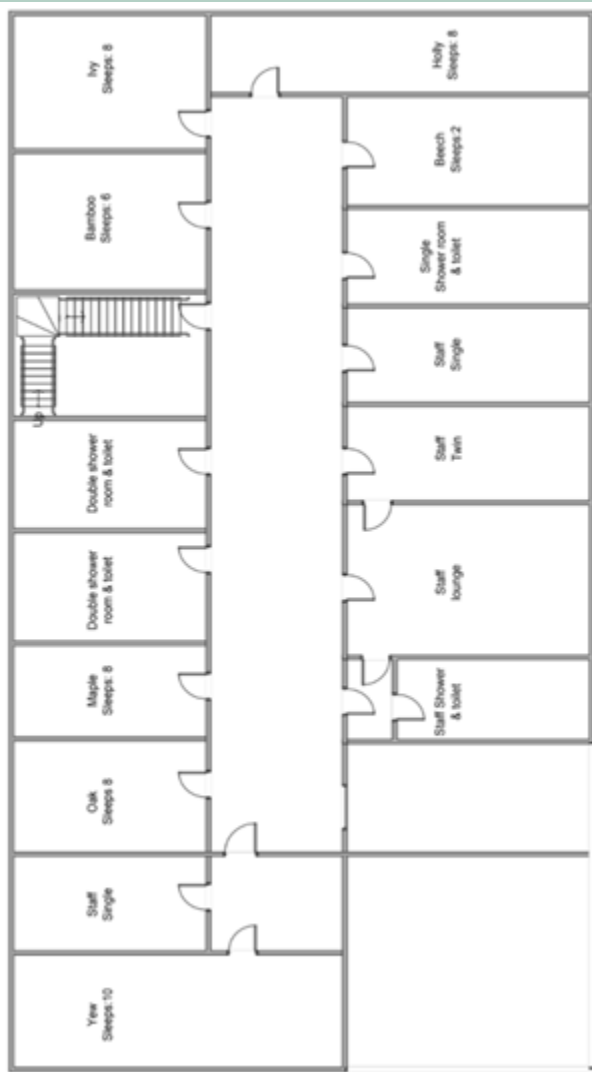

Opportunities for mixing
with other children from
different schools.

Accommodation layout

Rooms range from 4-10 children.
Staff rooms are spread around
the corridors and all are clearly
labeled.

The first activity the children take part in is a fire drill, so they know what to do in an emergency.

The menus are still being planned but it will be things like cereal, toast, croissants etc for breakfast, sandwiches for lunch, pasta with meat or vegetarian sauce for main meal one night and possibly a BBQ the second night – weather dependent.
