Dear Families,

November is Cut Your Carbon Month!

Our Manor Park Eco-Warriors are excited to invite the whole school community to join in tackling carbon emissions - **one simple action at a time**. Throughout November, we encourage you and your family to take part in six easy challenges at home designed to raise awareness and inspire positive change for our planet.

Here are the **six challenges** to complete with your family and friends!

Make 3 evening meals plant-based across the month 	Make 3 journeys 'active' (walking, cycling, scooting) across the month
Meal plan to reduce food waste for 1 week 	Lower your washing machine temperature to 30 degrees for 3 washes across the month
Have a 'device-free' day 	Turn down the heating by 1 degree for a week

At the end of November, we will gather the results to see how many families took part, estimate the carbon saved, and celebrate the collective impact of our efforts.

Thank you for supporting our Eco-Warriors and helping Manor Park make a difference for the environment. Together, we can create a greener future!

Yours sincerely
Mr Martin
Assistant Headteacher

Your Impact

Thank you for completing Cut Your Carbon! Below, you can see the amazing carbon savings that you and your community have created through the campaign.

YOUR IMPACT

Overall Combined Carbon Savings of 271 participants =
1736.35 kgCO₂e

Read below to see how that figure breaks down...

COOL IT!

106 people dropped the temperature to 30°C for three washes across the month, resulting in carbon savings of up to:
88 kgCO₂e

131 people made 3 journeys active across the month, resulting in carbon savings of up to:
200.4 kgCO₂e

DITCH THE DRIVE

82 people dropped their heating by one degree for a week, resulting in carbon savings of up to:
571.5 kgCO₂e

75 people made 3 evening meals plant based across the month, resulting in carbon savings of up to:
844.5 kgCO₂e

VEGGIE VIBES

110 people meal planned to reduce food waste for one week, resulting in carbon savings of up to:
31.9 kgCO₂e

MEAL PLAN-ET

109 people had a device-free-day, resulting in carbon savings of up to:
21.8 kgCO₂e

Device Free

Energy

Outcomes

2. Create traffic light system to remind children and staff to turn off electrical devices - autumn term.
